19 42

THE CHARLES BELLESTON

FOREWORD

the southen instances in the year book of book of book of book of the states by the denicr Class as an accurate portrayal of events of student activities of 1942-1946, he the years rounds, may this book, representative of the happiest years of our lives, increase in immessurable value

ALMA MATER

On our city 's eastern border, Reared against the sky, Proudly stands our Alma Mater As the years go by.

Chorus
Porvard ever be our watchword,
Gonquer and prevail.
Hail to thee, our Alam Mater,
D.G.H.S. all hail

Cherished by our sons and daughters Monories event shall throug Round our hearts, our Alma Mater As we sing this song.

To all the boys who have attended beneater founty High Schools and who are being in the Service of our Journey, rights ing on hand, on see, or in the after willighty prime before 'life's will light yield be right or "life's liberty, and the right of "life's liberty, and the Armutt of Daylones", we sincernly and effectionately dedicate this book. They shall never be frogretion.

GLASS PROPHECY

It is Cottory 16, 1950. The end of the most spiral are famility man in april 1950. The content spiral are made and produced are for the content spiral are families. On your art propose of the content spiral are families of the content spiral are families. The produced core by the Translate of the Cottory of the Cottory

That inglover the richery Scalasting system, we see in the library of the White system, we see in the library of the White fair, shames bind when see all knew well in our high school days Also Dubre is the sarrow recognising burden, who have been successful to be the contract of the same with the same shames and the same shames and the same shames and the same shames of the same shames and the same sham

The first more shows Barbara Thompson, now a wealthy socialite of New York, who is giving a party in the Validorf-Astoria. It is a big Success, and the hostose is basking in the Silory Same old Sarbara!

the next turn of the switch is France, where have turn of the switch is France, where James Earl Rays, a foringn war correspondent, who has stayed in France to gather date for his book about France during the war. Touthy four out of touthy five chapters are on Frunch Medsonized to the switch and rivecity. He has the channed either. From France back to America heere a joyous wife is welcoming that her humband. Who could it be but John Wookey and Onds I firs has the right to be proud for John is a licetomant.

it be but John Wooley and Oade 1 She has the right to be proud for John in a liboutenant. Saxt we come to a hospital where we first the equallo head mane, Europet Linton, giving instructions to be measurement, file longue to the could attend to the hardeen wome man in

hoom 18, Saddonly our radio picks up the roar of a plane and it slowly comes into view. The pilot is harr looks familars, Wey, it's Rod Whont and the co-pilot is none other than James Lerdon Wise Lerdon.

all right.
The same shifts to Germany where we find a guard patrol. May, there's Elbert. Look at the stripes, So a shouting at seconds who turn out to be R.T. and Dayne. Elbert is in command and

don't R.7. and Despre how 11 What a jump! We may on a besutiful sea shore where we see a man lying on a cot. There are besutiful marsos all around and we find that it ts how Frank Brashor recovering from a shraphol would and hugely on joying himself because one

of the marker is Golean Brigance. Whose we leave the source who seems, we Chash back to the dhite House where we find the Frendent in a dither. Surveyone has been soon but Aims and Agnes. Morre could they be? Thy Desturville" says Sathleen, and sure cample there are Almand and Agnes complanely teaching in Destur Gountwilling Shoot.

The Prosident is setisfied. The radio is turned off, and so back to the colebration.

Read by Mary Johnson White at the Aunigr-Senior Banquet "ARMS FOR VICTORY"
We, the Senior Class of 1942, not altogathes

unsound of mins, on this the fifteenth day off April in the year intrices forty-two do date this this writing to be our last will sad isstance, hereby revoking and making void all other testisonial writings here before made by us. Do hracby will and bequest, all property, real and purroual, of which we the bestators are at this

by will and bequesth, all property, real and pursonal, of which we the testators are at this time journessed to be bestowed as follows: Fo whit Rod's ability to win victorics over his rivals in the battle for a lady's heart to William Noc-To Empene we bequeath James Landon's shilling to

The doer old cost, mirror, and lipstick, which we see Iris using so often, shall be given to Anna Bello Ranny. We boyo she will use it to the best

Bello Rarry. We bopo she will use it to the best stwantage.

Joe L. requests that the vacancer as School Rosse, left by his bemorable discharge, be given to Rathe. be being the only one large enough to

Till the speck.

Glean's quickess shall be given to Mary
Johnson as an are for victory, Scentimes silone
is golden, you know.
To Elso Pratt, Dwynn wishes to will his many

girl friends form Parsons in hopes that he can manage them better. To Grady goes the honor of keeping tabs on R. 7. a Granger School Girls.

James Earl's dramatic talent we wholehourtedly vill to Truckl and hope he will not misses it in any may.

The tascherm' devenion for a talean shall go to largues Tillian with all our best records for a

wictorious suit from high school.

John and Code wish to lowwe the back soat in
the southeast cores of the Senior home room to
Jettle Must and Poul Haye. They sincoroly boliow

the southwest corner of the senior come room to Justia West and Paul Hays. They sincorely believe that a remance will be building between the two hoirs. The cutstanding mumorist of the Senier Class, Nabel, leaves to Christine all of her

wit and knowledge.

To enyons who can find it, I, Marjorio
Linton, leave my well-worm motebook.

Barbers leaves her chair in the office to
making white, who we undorstand is addicted

station with the control of the cont

history assers written on it, to Frang, sinorely hoping that he will tenderly care for it and pass it on down the line. Agnes proudly bestows the first deak, third row, minus the clowing was of course, to

row, minus the chewing gas of course, to Marjoris Yarbro. The corny jokes that we year suffering seniors have had to endure from Elbert all the

seniors have had to endure from Elbert all these four years, we affectionately bestw upon Harold hopper, hoping that he wen't course it as Elbert did.

Alma leaves the best seat in which to git for

cheating to Albert Timble, plus a well-chawed peneil.

Signed: The Scane Class
